

# RECLAMATION

*Managing Water in the West*

## Department of Interior Enterprise Geographic Information Management (EGIM)

Lorri Peltz-Lewis, Mid-Pacific Regional Geospatial Database  
Administrator

U.S. Department of the Interior  
Bureau of Reclamation

# Enterprise Geospatial Activities

## What is “EGIM”?

- Charter – provide strategic leadership for Enterprise GIS within DOI  
<http://www.nps.gov/gis/egim/charter.html>
- Started in 2000 – Interior Enterprise Architecture -
- Roles & Functions –
  - Communication
  - Strategic Planning
  - Advisory Role
  - Education & Training
  - Integration – implementation, application, redundancies, synergy & future collaboration
  - Data Management
  - GIS Technical Support – Help Desk & Knowledge Base
  - Applications Development
  - Special Issues – Geospatial Lines of Business (GeoLoB), Geospatial Blue Print (Interior Enterprise Architecture)

# Enterprise Geospatial Activities

## Who is “EGIM”?

- BIA – Beth Wenstrom
- BLM – Bob Bewley, Leslie Con
- BOR – Lorri Peltz-Lewis, Bruce Whitesell
- MMS – Leonard Coats
- NPS – Joe Gregson, David Duran
- OSM – Bill Card, Alan Wilhelm, Rob Welsh
- USFWS – Deb Green
- USGS – Bob Pierce (EGIM Lead), Leslie Armstrong (FGDC)

## Reports to –

- Interior Computer Information Officers (CIO) and
- Information Technology Management Council (ITMC)
- Core Modernization Blueprint Team (CMBT)

# **Enterprise Geospatial Activities**

**EGIM Recommended Governance – hot off the press!**

**DRAFT – DRAFT – DRAFT – DRAFT - DRAFT**

# Enterprise Geospatial Activities

## EGIM Major Tasks

OMB Data Call – how much is the government spending on geospatial technologies?

<http://www.whitehouse.gov/omb/egov/c-6-8-glob.html>

Geospatial Blue Print – recommendations & implementation.

<http://www.fgdc.gov/fgdc-news/geolob/>

<http://www.whitehouse.gov/omb/egov/c-6-8-glob.html>

Authoritative Data Sources – identification, standards, SLA's, & stewardship issues – FGDC Standards, sensitivity with respect to this name.

Value Measure Methodology ( VMM) – evaluation technique.

<http://www.whitehouse.gov/omb/egov/a-2-prm.html>
